

Ultra Silence

*Impact the mood of **ultra silence***

Inwestor: Just Join IT, Projekt: MXCF Architekci, Zdjęcia: Fotomohito

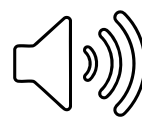

ULTRA SILENCE partition walls offer an ideal solution for interiors requiring harmony between aesthetics and peace and quiet, to create space for focused work or relaxation without noise. The double-glazed structure of **ULTRA SILENCE** partition walls significantly increases the level of acoustic insulation up to R_w 52 dB. Therefore, it is a popular choice for multifunctional spaces, for example where office space is combined with a production hall.
